

DYNOMite test "Flash Craft on 2010-02-18 @ 13-01-00" by Flash Craft

Notes:

The vehicle tested was a 1997 GMC 1500 5.7L Vortec with over 200,000 miles.

Originally, the vehicle was tuned by Flash Automotive using the Pulstar Pulse Plugs. After Dyno testing the Pulstar Plugs, the vehicle was tuned by Flash Automotive using products from Gillis Performance.
