

Effective 1/07/23

Warehouse Distributor Program

1. The starting amount for the distributor program is at least \$25,000.
2. The lead time will be at least 30 days for Gillis Performance and Consulting (GPAC) to build the inventory once an order is placed.
3. The discount from the jobber prices will be 25%.
4. Ground shipping is free on all orders of \$100 or more.
5. Buyer is allowed to market in any region.
6. All products sold will remain as the Gillis branding.
7. Restocking fees will be up to 10% original purchase price. Refunds will be provided as credit. All products must be unused in their original packaging.
8. Payments accepted are PayPal, company checks, wire transfers, and approved net 30 charge accounts.
9. Buyer has up to three days to cancel a contract once signed by all parties.
10. Any new products designed by GPAC will be available for purchase.
11. Products sold by GPAC will not violate any E.P.A laws. Buyer is not allowed to modify GPAC products which will cause EPA violations.
12. GPAC will list the WD account on website for direct sales.
